Your feedback is important
to us!

Don't throw away your chance to make Madigan better.

Patients are our top priority at Madigan and we want to ensure that we provide you with a positive patient experience. Patient feedback has allowed us to update waiting rooms, add more staff members, extend hours in certain parts of the hospital and so much more!

The next time you receive a Joint Outpatient Experience Survey (JOES) in the mail, please respond online or by phone, and participate in making Madigan better.
