

MADIGAN HEALTHCARE SYSTEM TACOMA, WASHINGTON

Welcome to Madigan Healthcare System

Welcome to the Madigan Healthcare System! I would like to take the opportunity to personally welcome you to the most trusted preeminent health care teams in the U.S. Army.

You are joining an unparalleled organization charged with providing world-class military medicine to more than 108,000 beneficiaries through a network of health care facilities located in Washington, Oregon and California. Through all of life's stages, Madigan's commitment to care is unrivaled, to include its ever-expanding unparalleled education platform, state-of-the-art research projects and keen eye on readiness and deployment medicine.

The 5,200 plus staff assigned to the healthcare system take great pride in being engaged community partners. Our flagship hospital, Madigan Army Medical Center, is proud to call Joint Base Lewis-McChord and the surrounding beautiful Puget Sound region home. The installation is one of only 12 joint bases and the largest under Army management housing both the U.S. Army's I (First) Corps (America's Corps) and the U.S. Air Force's 62nd Airlift Wing.

Again, welcome; I look forward to your arrival and having you become part of our dynamic health care team. I am confident you will find working in the Madigan Healthcare System rewarding and challenging.

Care with Compassion!

DALLAS W. HOMAS
