

Title: Nurse (Clinical/Perioperative) GS-0610-11

Body: Department of Anesthesia and Operative Services

Full-time permanent position

If you are interested in applying for these positions, please feel free to forward the Madigan Nurse Recruiter a cover letter, resume, two to three references and possibly a Letter of Recommendation to usarmy.jblm.medcom-mamc.list.cpd@mail.mil. Serves as a Nurse (Clinical/Perioperative) for the Department of Anesthesia and Operative Services. You will provide specialized perioperative care to patients undergoing a variety of procedures ranging from highly complex, high acuity or trauma surgery to routine. Assess patients' current health status in order to formulate nursing care plans, which include preparing goals based upon nursing diagnosis, and developing patient outcomes. Manage patient care for a wide range of procedures of an advanced nature and difficulty, such as procedures with high susceptibility to infection, and require bodily functions to be mechanically assisted by life support equipment. Brief the post anesthesia nursing staff on pertinent information related to the surgery. Serve as a project officer/unit coordinator for 1-2 surgical specialties.
