

Title: Nurse (Clinical/OB-GYN) GS-0610-11

Body: Labor and Delivery Unit, Maternal Child Section, Inpatient Services Administration

Full-time permanent position

If you are interested in applying for these positions, please feel free to forward the Madigan Nurse Recruiter a cover letter, resume, two to three references and possibly a Letter of Recommendation to [usarmy.jblm.medcom-mamc.list.cpd@mail.mil](mailto:usarmy.jblm.medcom-mamc.list.cpd@mail.mil). As a registered nurse specialist in inpatient obstetrics, provides specialized obstetric nursing care to normal/high-risk obstetric patients. High-risk patients are characterized by the presence of real or potential complicated fetal or maternal conditions requiring continuous observation and intervention to prevent complications and maintain/restore maternal and fetal health. Serves as project officer/unit coordinator for a variety of activities designed to improve nursing care to the normal/high-risk obstetric patient (i.e. research, grief support, and educational programs). Performs assignments of an advanced nature that require considerable extended experience or training. Serves as a team leader and charge nurse. Makes decisions regarding priorities for patient care for shift assignments.
