

Title: Nurse (Clinical/Critical Care-NICU)

Body: Neonatal Intensive Care Unit, Maternal Child Nursing Section

Full-time permanent position

If you are interested in applying for these positions, please feel free to forward the Madigan Nurse Recruiter a cover letter, resume, two to three references and possibly a Letter of Recommendation to usarmy.jblm.medcom-mamc.list.cpd@mail.mil. As a Nurse (Clinical/Critical Care) in the Neonatal Intensive Care Unit you will determine and implement proper emergency measures after identifying and interpreting life-threatening conditions by initiating life-saving measures. Serve as role model to experienced critical care nurses as well as those who are not fully trained. Assist the physician with complex and potentially life-threatening procedures as cardioversion and insertion of invasive lines, e.g., arterial, venous and pulmonary artery catheters, chest tubes, and endotracheal tubes. Provide constant support to patient and family by providing information on disease process, pre and post operative care, diagnostic procedures, use of equipment related to disease/care.
