

Title: Nurse (Clinical/Ambulatory) GS-0610-11 (Two Job Vacancies)

Body: Patient Centered Medical Home, Pediatric Clinic, Department of Pediatrics

Full-time permanent positions

If you are interested in applying for these positions, please feel free to forward the Madigan Nurse Recruiter a cover letter, resume, two to three references and possibly a Letter of Recommendation to usarmy.jblm.medcom-mamc.list.cpd@mail.mil. These positions are located in our Pediatric Clinic as newborn nurses. We are hoping to reduce our newborn readmission rate which is often linked to poor feeding and hyperbilirubinemia. Providing 7 day/week support with breastfeeding by the same two nurses will ensure follow-up and continuity of care. You will be required to have booking/scheduling capabilities.

MAJOR DUTIES: Performs independent, comprehensive telephone and clinical triaging, and facilitates care coordination through a multidisciplinary approach. Establishes priorities for patient care and evaluates patients' progress toward high-level wellness. Acts as a relief nurse, triages and screens walk-in patients to assess the severity of the patient's condition and the need for provider intervention.

Assists clinic with patient and staff education. Coordinates patient referrals to support services provided through the internal and external community, or the TRICARE network.
