

Title: Psychiatric Nurse Practitioner GS-0610-11

Body: Department of Behavioral Health

Full-time permanent position

If you are interested in applying for these positions, please feel free to forward the Madigan Nurse Recruiter a cover letter, resume, two to three references and possibly a Letter of Recommendation to usarmy.jblm.medcom-mamc.list.cpd@mail.mil. Serves as the Nurse Practitioner within the Department of Behavioral Health in a regional medical center. Primary duties include follow up of mental health patients, triage of emergency walk-ins, new intake evaluations of patients. Serves as an NP providing mental health treatment. The NP works with mental health beneficiaries. This provider cares for these individuals with appropriate medication and therapy interventions. This NP coordinates care with appropriate hospital staff, care managers and case managers, chain of command, and other community agencies and their personnel as necessary. Ensures quality health care through early identification of patients with continuing care needs, implementation of a safe and effective treatment and ancillary use of resources to reduce hospitalization and optimize mental health of beneficiaries.
